Vision

A Centre of Excellence vibrant with Academic, Capacity Development Activities with Creative Energy, Making Significant Contribution to the World of Knowledge and to the Development of State, the Region and the Nation.

Mission

1. To Impart Quality Education in the Fields of Management at Postgraduate Levels, Capacity Development For In-Service Personnel of Cooperative and other Allied Departments in its Area of Operation with Special Attention to Encourage Innovation. Creativity and Skill Development in these Fields.
2. To engage in Creation of Knowledge and Development of Technologies through Effective Research Programmes.

Institute's Profile

The Madhusudan Institute of Co-operative Management, Bhubaneswar (popularly known as MICM) is one of the premier Management Institute of Odisha established in the year 1955-56. The MICM is one of the 19 Institutes functioning in our country under the overall administrative control on National Council for Co-operative Training (NCCT), New Delhi, which is promoted by the Ministry of Agriculture and Farmers' Welfare, Government of India. The basic objective of the Institute is to inculcate professional management in the cooperative sector through training, education, research and consultancy. To achieve its mandate, the Institute conducts 2 years full time MBA programme (affiliated to BPUT and recognized by AICTE), Six months Higher Diploma in Co-operative Management. This apart, this Institute organizes an umpteen number of tailor made short term Management Development Programmes for the Cooperative and Allied Departments of Govt. of Odisha as well as other Cooperative organizations. This Institute is also accredited to C-PEC of Bankers Institute of Rural Development, (NABARD), Lucknow for undertaking capacity building programmes for Cooperative Credit and Banking Institutions.

MICM is located in the heart of Bhubaneswar (near CRP Square), having its own sprawling campus of 3.4 acres which includes administrative block, class rooms, staff quarters and hostel.

Library

MICM Library has an excellent collection of more than 17,000 books on subjects like cooperation, management, agriculture and other related areas. It also subscribes about 86 numbers of reputed periodicals and journals – both national and international.

IT infrastructure

A state-of-the-art network with almost 72 nodes connects every corner of the Institute. Every employee and faculty member has a networked personal computer at his or her disposal. The Institute's network is linked to the Internet via BSNL broadband connection enabling Internet connectivity. All the trainees and the students of the Institute are free to use the Information Technology facilities available at the Institute. To add more, all the classrooms are equipped with modern teaching gadgets like LCD and Smart Board.

Hostel

In order to imbibe an atmosphere of community living amongst the trainees and students, the Institute possesses a 150 seat capacity hostel in its campus. The hostel is equipped with a pantry/mess and other facility for a comfortable stay.

Research and consultancy

The Institute undertakes several research activities in different areas by using the wide experience of the faculty. It provides consultancy to user organizations on specific request.

Extra-curricular activities

The Institute provides ample opportunity for all-round development of the students. The students are expected to build their career and develop their personality in a conducive environment. They actively participate in various tournaments, business school meets, literary competitions organized at university/State/National levels. The Institute is having facilities for indoor games.

Faculty

The institute posses multi disciplinary core faculty members having rich experience in academics, research and consultancy. Besides, the institute invites guest faculties from leading institutes and industry.

Higher Diploma in Co-operative Management (HDCM) Programme (Under Correspondence Mode with On-line Contact Classes)

The 26 weeks Higher Diploma in Cooperative Management (HDCM) is a flagship programme of the Institute and is duly approved by the National Council for Cooperative Training (NCCT), New Delhi.

Scope

With a view to build competent managers for cooperative sector, the HDCM Programme offers advanced level of training on theory, methods and applications of cooperative business management along with specialized training in some selected functional areas. The course curriculum helps the students in acquiring conceptual and analytical abilities required for making and implementing managerial decisions efficiently and effectively. Besides the understanding of the various management functions, they are required to make their eyes wide open on the development of national as well as international economic and business conditions to cope with the challenges in their job situations. This is a widely accepted and demanded programme which is well recognized in the cooperative sector all over India.
